

# \* Holiday Hot Cocoa Mix \*

Time: 30 mins

Servings: 25-30

## To Make the Mix:

- 1 Whisk together all ingredients in a large bowl.
- 2 Working in reasonably sized batches and depending on the size of your food processor, pulse the ingredients in a food processor until the chocolate is finely ground and everything is well mixed.
- 3 (Optional) Stir in mini dehydrated marshmallows.
- 4 Store the dry mix in an airtight container for the whole holiday season (or three months, to be exact).

## To Make Hot Cocoa:

- 1 Put 1/3 cup of the cocoa mix in a mug.
- 2 Stir in 1 cup of hot milk, your fave milk alternative, or water.
- 3 Top with something festive.

Enjoy!
